## **Submission of Application**

Applications for prequalification shall be submitted online after attaching all the required documents and paying the required fee.

All the information requested for pre-qualification shall be provided in the English language. Where information is provided in any other language, it shall be accompanied by a translation of its pertinent parts into English language. The translation will govern and will be used for interpreting the information.

Failure to provide information that is essential for effective evaluation of the applicant's qualifications or to provide timely clarification or sub substantiation of the information supplied may result in the applicant's disqualification.

## **Eligible Candidates**

This invitation for pre-qualification is open to all candidates who are eligible as defined in Kenya's Public Procurement Law and regulations and as indicated in the appendix to instructions to candidates.

The procuring entity's employees, committee members, board members and their relative (spouse and children) are not eligible to participate in the tender unless where specially allowed under section 131 of the Act.

All terms found capable of performing the contract satisfactorily in accordance to the set prequalification criteria shall be prequalified.

## **Qualification Criteria**

Pre-qualification will be based on meeting the minimum requirements to pass in the criteria set as shown below. The declaration will be either pass or fail regarding the applicant's general and particular experience, personnel and equipment capabilities and financial position as demonstrated by the applicant's response in the forms provided in Section IV and submitted with the letter of application. The procuring entity reserves the right to waive minor deviations if they do not materially affect the capability of an applicant to perform the contract.

When highly specialized inputs (especially for execution of the contract) are required by the applicant from specialist sub suppliers, such sub suppliers and their inputs shall be described in the Standard Form 1 (General Information)

- (a) General Experience. The applicant shall meet the minimum criteria specified in the IFQ
- (b) Average annual turnover as main supplier over the last years
- (c) Successful experience as prime supplier in execution of at least three projects (within the last 3 years).

- 
- (d) Personnel capabilities. The applicant must have suitably qualified personnel.
  - (e) Equipment capabilities. The applicant should own, or have assured access (through hire, lease, purchase agreement, availability of manufacturing equipment, or other means) the key items of equipment in full good working order, and must demonstrate that, based on known commitments they will be available for use in the proposed contract. The applicant may also list alternative equipment that it would propose for the contract together with an explanation of the proposal
  - (f) Financial position. The applicant shall demonstrate that it has access to, or has available, liquid assets, unencumbered real assets, lines of credit and other financial means sufficient to meet the cash flow for a period of the contract, net of the applicants' commitments for other contracts.
  - (g) The audited Accounts for the last 3 years shall be submitted and must demonstrate the soundness of the applicant's financial position, showing long-term profitability. Where necessary the procuring entity will make inquiries with the applicant's bankers.
  - (h) Litigation history the applicant should provide accurate information on any litigation or arbitration resulting from contracts completed or under its execution over the last five years. A consistent history of awards against the applicant or any partner of a joint venture may result in failure of the application.

#### **2.5.0 Conflict of Interest**

2.5.1 The applicant (including all members of a joint venture) shall not be associated, nor have been associated in the past, with the consultant or any other entity that has prepared the design, specifications, and other prequalification and bidding documents for the project, or with an entity that was proposed as engineer for the contract. Any such association must be disclosed and may result in the disqualification of the applicant.

#### **Updating Pre-qualification Information**

Prequalified candidates shall be required to update the financial information used for pre-qualification at the time of submitting their bids and to confirm their continued compliance with the qualification criteria. A bid shall be rejected if the applicant's qualification thresholds are no longer met at the time of bidding.

## APPENDIX TO INSTRUCTIONS TO CANDIDATES

The following instructions for the pre-qualification of candidates shall supplement, complement or amend the provisions of the instructions to candidates.

Where there is a conflict between the provisions of the instructions to candidates and the provisions of the appendix, the provisions of the appendix herein shall prevail over those of the instructions to the candidates.
